DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 11-12, 14-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 11-12 recite "like a v". it is not clear what is encompassed by this limitation.

Claim 12 recites "relative to each other 2,". It is not clear what the number 2 is intended to convey.

Claim 14 recites "the first and the second valve row", and "the third valve row". There is insufficient antecedent basis for this limitation in the claims.

Claim 14 recites "accommodating bores for the accommodation of feeding devices of a pump" and "second and third accommodating bores for the accommodation of second and third feeding devices of a pump". It is not clear if the second and third bores are part of the previously recited "accommodating bores". Also note that the claim later recites "the accommodating bores". It is not clear if this includes the second and third bores.

Allowable Subject Matter

Claims 10, 13 and 16-18 are allowed.

Claims 11-12 and 14-15 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
